Re: Sponsorship of Joplin Outlaws Collegiate Baseball Club – 2019

To Whom It May Concern;

This letter is to request a sponsorship for the Joplin Outlaws Collegiate Baseball Club. We are a 501c3 non-profit summer collegiate baseball organization. Our home games will be played in Joplin, Missouri at Joe Becker Stadium. Our team will be made up of college baseball players from across the United States as well as some local talent. We will be playing against teams from Missouri, Iowa, Nebraska and Kansas. Our schedule will consist of approximately forty-eight (46) games with at least twenty-six (24) of those games being at home. I have attached a current schedule with game dates, times and locations.

The purpose of the “Joplin Outlaws Collegiate Baseball Club, a member of the MINK League, is to develop and promote the game of baseball by offering quality playing opportunities and player development, by playing competitive with other top baseball players. We will accomplish this by paying the price in commitment, dedication, effort and sportsmanship; and by having pride in self, team and the community. We will respect the community, the team and the organization and will strive to promote and enhance the game of baseball in our community.

In addition to playing games, our team will also be holding a youth baseball camp. We will also be helping with youth and community projects and various activities within the surrounding communities. In previous years the Outlaws have partnered with several community organizations. Some of the activities included:

- Crosslines: a canned food drive.
- Joplin Humane Society: Food and supply drive and a pet adoption night.
- Hope-4-You Breast Cancer Foundation: Breast cancer awareness day and Outlaws player’s jersey raffle to raise money for Hope-4-You Breast Cancer Foundation.
- Veteran’s Appreciate Night: Awareness Day & Outlaws player’s jersey raffle to raise money for True North Enterprises.
- Miracle League of Joplin: Players and coaches “buddy” with athletes.
- Boys and Girls Club: Lunch and activities with the Outlaws players.

We will be charging admission to our games; \$5.00 for Adults and children under 12 will be free. Our attendance last year averaged over 700 at each home game. We anticipate the attendance to increase as the Outlaws celebrate our tenth season and become more recognized in the surrounding communities.

I have attached the various levels of sponsorship and the recognition that comes with each level of sponsorship. Other options for sponsorship are open to suggestions. We would appreciate the opportunity to work with you and hopefully partner with you as a corporate sponsor. Your consideration of support for our team would be greatly appreciated. Please contact me at 417-825-4218 or merains@mchsi.com

Sincerely,

Mark A. Rains
